An act to amend Section 23100 of *add Section 21455.8* to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2729, as amended, Ammiano. Vehicles: ~~rules of the road: driving offenses:~~ *automated traffic enforcement system: City and County of San Francisco.*

Existing law authorizes the limit line, intersection, or other places where a driver is required to stop to be equipped with an automated traffic enforcement system if the system meets certain requirements. Existing law authorizes a governmental agency to contract out the operation of the system under certain circumstances, except for specified activities.

This bill would authorize the City and County of San Francisco to utilize an automated traffic enforcement system to enforce a specified traffic offense from Market Street onto the Central Freeway located at the intersection of Market Street and Octavia Boulevard if the system meets the above-stated requirements.

This bill would state the findings and declarations of the Legislature concerning the need for special legislation.

~~Existing law establishes various driving offenses that apply to vehicles upon the highways and elsewhere throughout the state, unless expressly provided otherwise.~~

~~This bill would make technical, nonsubstantive changes to that law.~~
Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 21455.8 is added to the Vehicle Code, to
2 read:

14 necessary and applicable only to the City and County of San
15 Francisco.
